fabric traditions

# Supplies & Tools

- 2 yards Fabric Traditions halloween fabric
- Batting from Fairfield World
- Witch hat pattern
- Removable marking pen
- Sewing machine and matching thread.
- Basic sewing supplies (ruler, scissors, pins, iron, ruler)

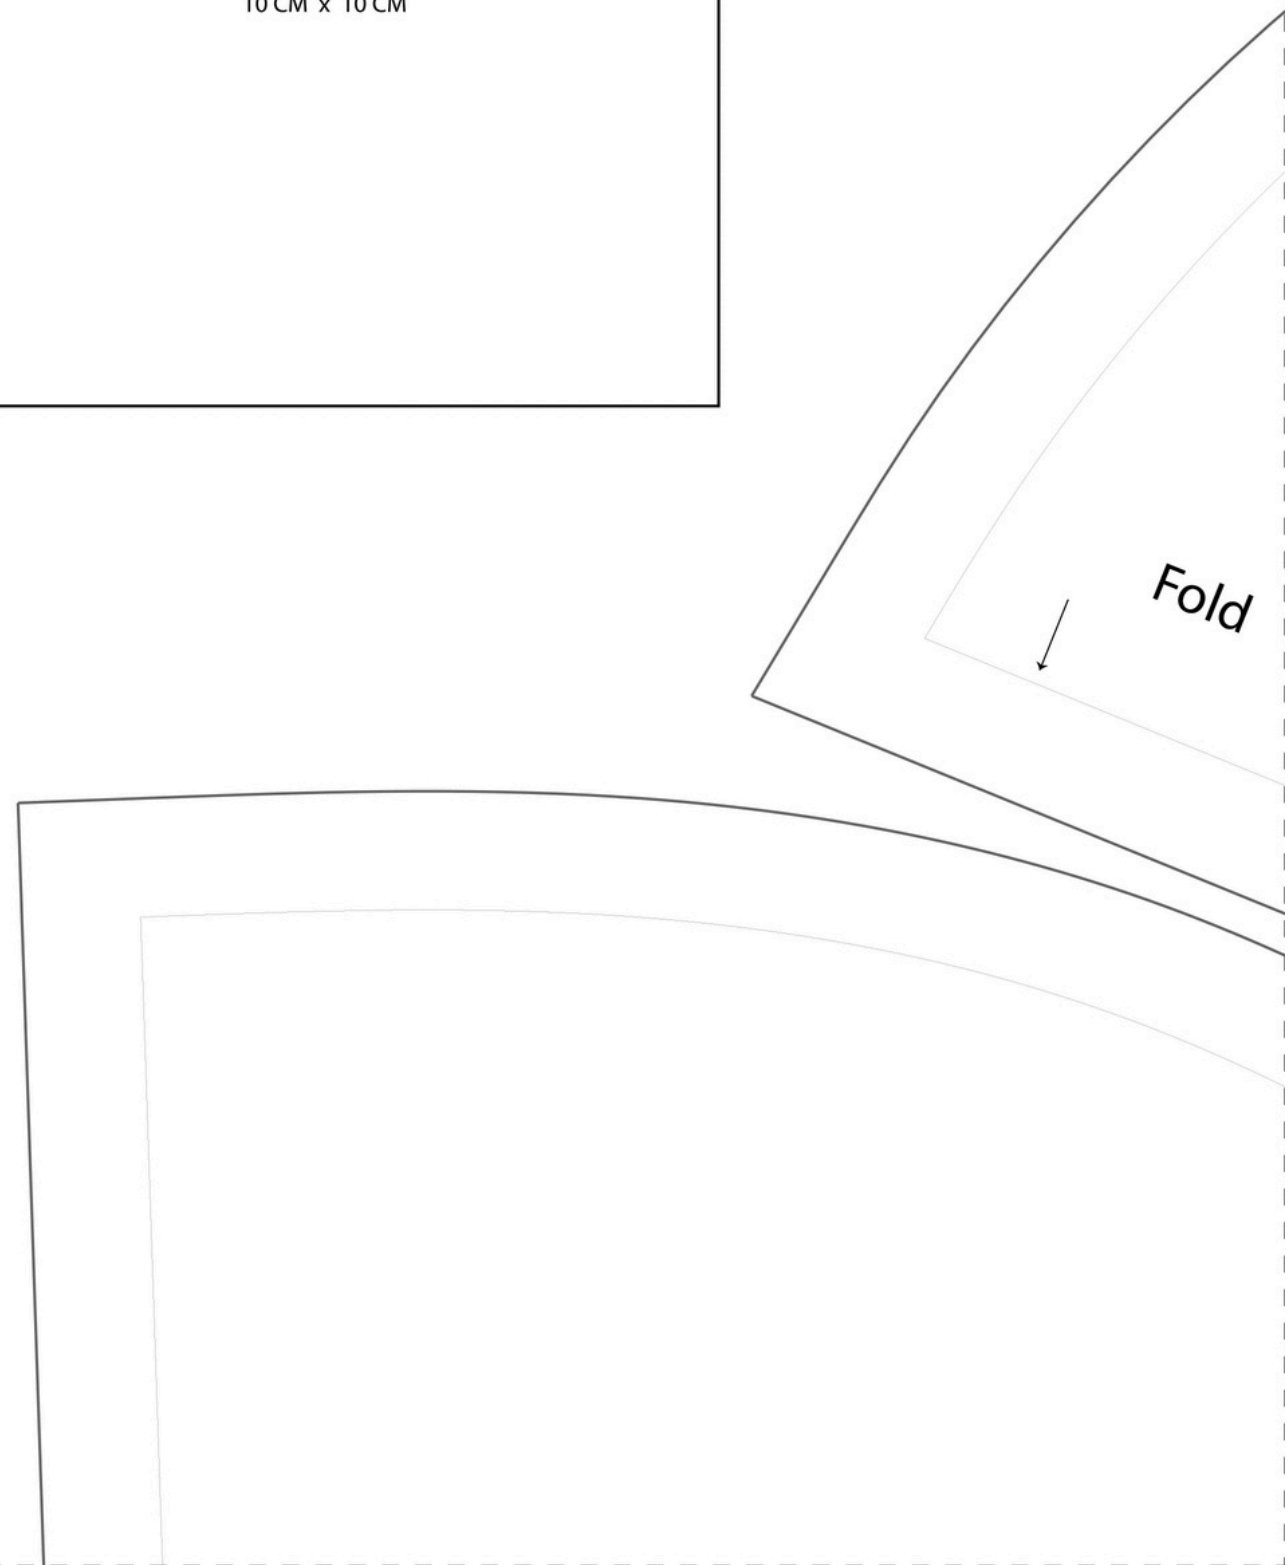

# Directions

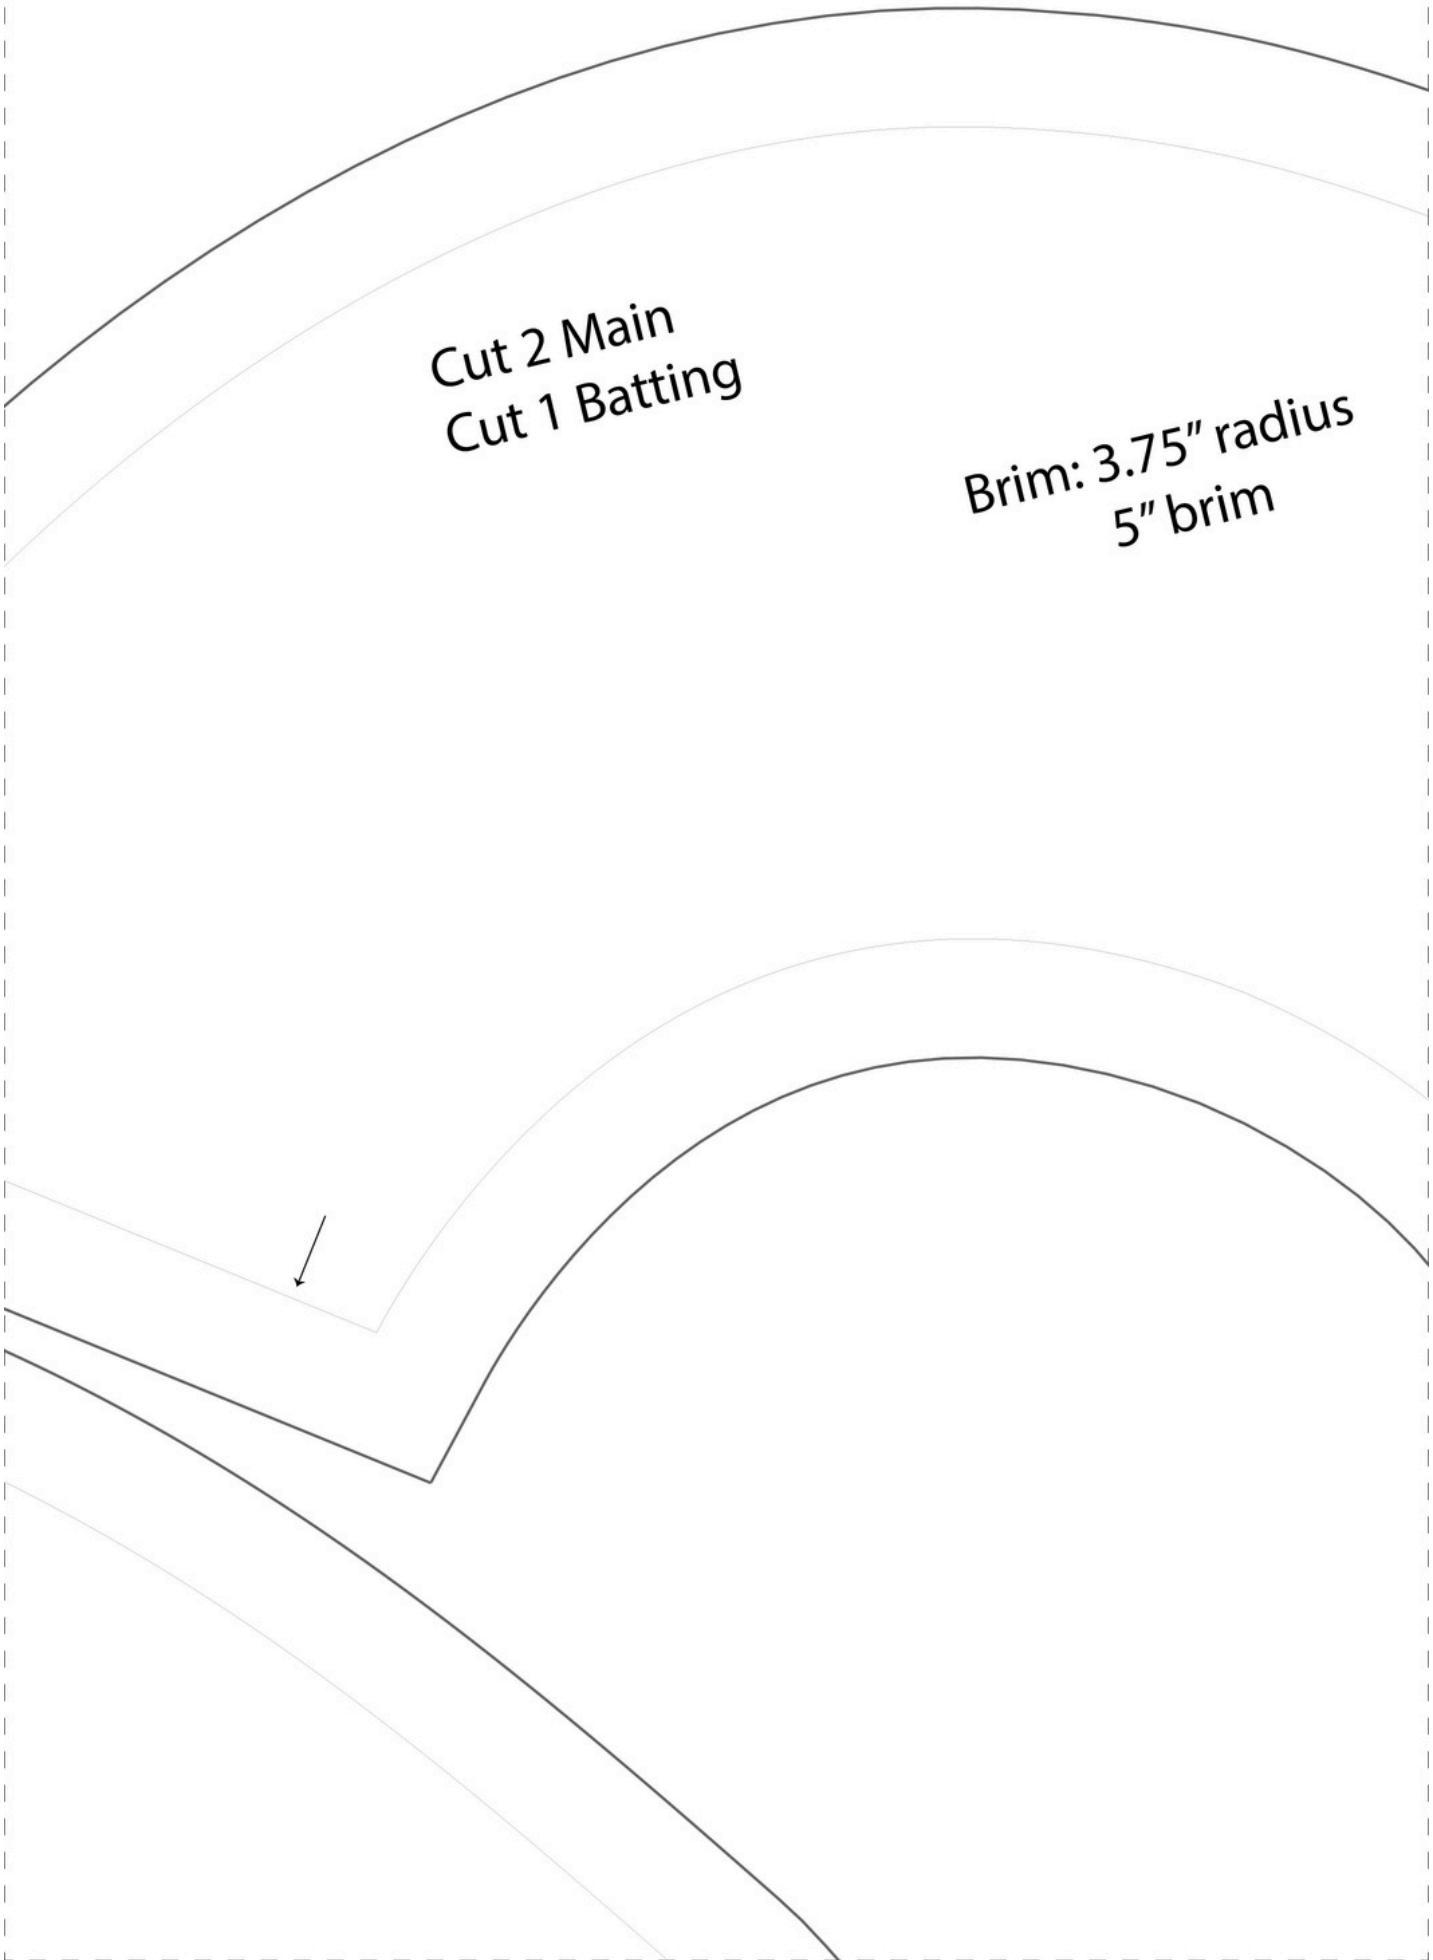

1. Print and cut out the pattern found at the end of these directions.
2. Using the directions on the pattern, cut 2 cones out of your main fabric, 1 cone out of your batting fabric, 2 brims out of your main fabric, and 1 brim out of your batting fabric.
3. Sandwich your cone batting between each of your main fabric cone pieces making sure wrong sides are together. Pin in place.
4. For the brim, place your main fabrics right sides together and place your batting on top. Stitch all three layers together using a ⅜ inch stitch around the outer edge. Trim and turn right sides out with your batting sandwiched in the middle. Iron to smooth out the brim. We suggest top stitching around the outer edge. Baste stitch the inner ring to hold together.
5. Using a marking pen, create quilting lines on your cone fabric and your brim fabric. We used a grid pattern of 1" squares. Pin your fabric throughout to make sure your fabric does not move. Stitch together using the marking lines as your guide to create a quilted cone and brim.
6. Fold your cone fabric in half matching up the two straight sides. Pin and stitch down using a ⅜ seam allowance. Turn so the seam is now located inside the cone.
7. Pin the brim to the cone and stitch together using a ¼ inch seam allowance. Trim the seam and your hat is now ready to wear! *A serger is suggested for a cleaner finish.
